

spring newsletter

welcome to our brandy new newsletter! we are shifting to seasonal newsletters. you can expect to see updates from us now once a season. there's been a lot of updates the past few months and we're going to get you all up to speed so let's go!

rental season is here!

a large portion of our schedule in the spring and summer is allocated to air b&b and rental turnovers.

please make sure you're booked in our schedule before our wait list comes back!

payment changes

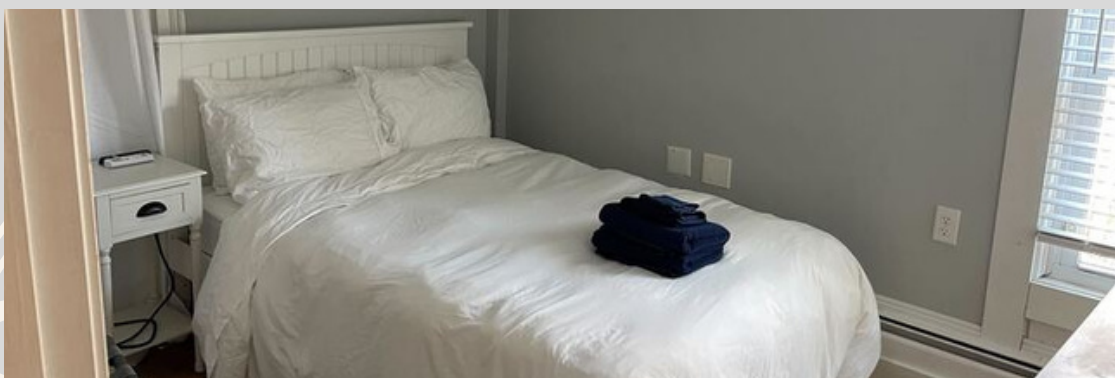

- we have shifted to a new platform for payments. all payments and invoices will now be taken through Square.
- we have introduced a service fee to cover the cost our credit card processing fees. this allows us to keep our prices stable despite rising costs everywhere.
- payment by check eliminates the service fees. ACH payments drastically reduces the service fees.
- payments are due within 7 days of being invoiced. there will be a \$50 late fee applied to your invoice if it is late.
- overdue accounts are at risk of having services suspended. we cannot guarantee that your spot for services will be available once your account is up to date.

all of this will be sent out in a separate email with the customer service agreement attached!

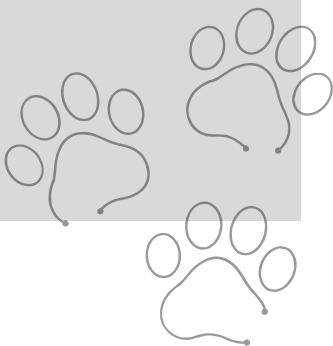

a reminder that due to rental season, our hour before and hour after policy is in full effect. this means that if your appointment is scheduled at 10:00am we may arrive as early as 9:00am and as late as 11:00am. please keep this in mind throughout the summer.

pet stop!

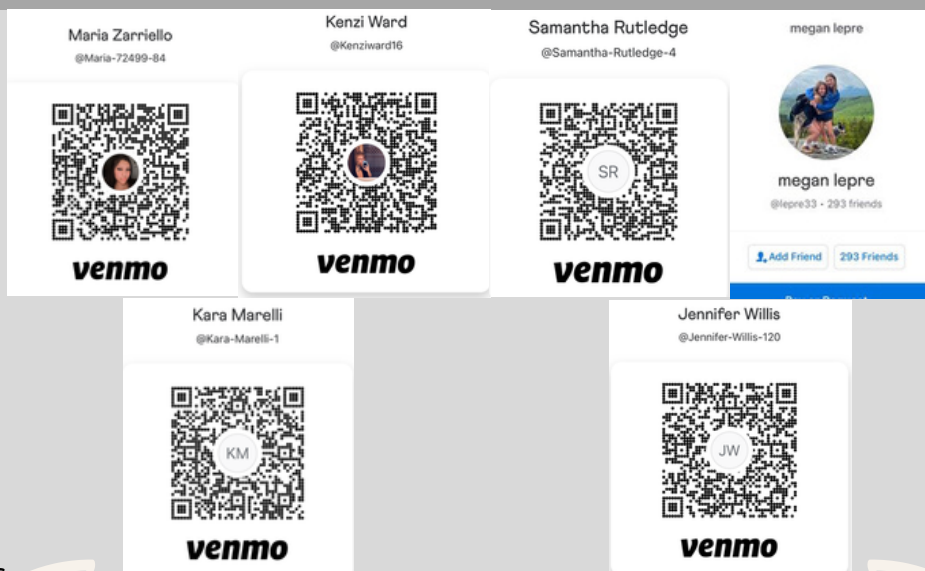

we know that your pets are near and dear to your hearts. we also know that they often provide humor to our day. but most of all, they're our biggest critics! we plan to showcase a few candid pet shots in each newsletter for you to giggle with us.

tip the teams!

our teams work hard to keep your homes spic and span! while tips are not required at all, we get asked frequently how to tip the teams. here's the information for most of the people in our team! if you have a cleaner that you don't see tip information for here, just contact us and we'd be happy to get that for you.
